

## Fox News July/August 2018

It's hard to believe that we're already halfway through the summer!

We asked some of the Foxes what their favorite things to do in summer were – their answers will probably not surprise you:

- Jackson:** "I like to play in the pool!"  
**Genesis:** "I like to swim in the pool!"  
**James:** "I like to go to the pool!"  
**Noelle:** "I like to play outside!"  
**Emma:** "I like to get wet in the sprinkler!"  
**Kamryn:** "I like to play in the pool!"  
**Reed:** "I like to catch crabs in the creek!"  
**Dominic:** "I like to go swimming!"

So we hope our Foxes have all had a lot of chances to go in the pool so far this year!

### Friendly Reminders:

- **Water bottles:** everyone has been doing exceptionally well so far! So, please keep providing a water bottle daily. This is necessary to continue to stay hydrated and healthy as the hot summer continues!
- **Splash day:** children will need a bathing suit or change of clothes (**including underwear**), a towel, and footwear (flip flops, water shoes or old sneakers). Splash Days are on select Thursdays at 12:00, depending on the weather and other potential activities.
- **Bike Day:** Your child may bring their bike to ride. **They must have a helmet.** Bikes may be parked in the grassy area in front of the center doors.
- **Scooter Day;** Your child may bring their scooter, but **they still must have a helmet.** Please park them outside in the grassy area.
